

**PROPOSED**

IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE  
SOUTHERN DISTRICT OF GEORGIA  
**GENERAL ORDER NUMBER 2001-2**

The Court has considered the delay in confirming Chapter 13 cases with the resulting delay in payment by the Chapter 13 Trustee on creditor claims. An earlier deadline for the filing of objections to confirmation by any party in interest other than the Chapter 13 Trustee will allow a hearing on the objection prior to the scheduled confirmation hearing thereby substantially reducing the necessity for continued confirmation hearings and the resulting delay in payment to creditors.

It is therefore ORDERED that any objection to confirmation of a debtor's Chapter 13 plan, including objections to valuation of collateral, proposed interest rates to apply to secured claims, and lien avoidances must be filed within ten (10) days of the conclusion of the meeting of creditors held pursuant to 11 U.S.C. §341(a) or the noticing of a modified plan after the meeting of creditors. Upon the timely filing of an objection, the clerk will set a prompt hearing and provide the objecting party in interest with the notice of hearing requiring service by the objector of the objection and notice of hearing upon all parties in interest.

Objections to confirmation by the Chapter 13 Trustee are not subject to the 10 day deadline and may be raised at the confirmation hearing.

All objections to confirmation shall state with particularity and by reference to statutory provisions or case precedent the basis for objection.
