Court Operations under a Continuing Resolution in FY 2024

The Federal Judiciary is currently operating under a continuing resolution (CR) which was enacted on September 30, 2023. The CR, which is intended to fund government operations in the absence of enacted, full-year appropriations and allows operations to continue at a specified rate for a specific period, funds the Judiciary and the rest of the federal government through November 17, 2023. The CR was contained in the “Continuing Appropriations Act, 2024 and Other Extensions Act” (Public Law 118-15). Congress has since passed the “Further Continuing Appropriations and Other Extensions Act, 2024,” which extends the CR through February 2, 2024.

In the event of a lapse in appropriations, normal bankruptcy court operations will continue, including case-related activity such as filings, hearings, and trials. Court personnel will continue to properly and promptly process all filings, motions, orders, emergency applications, and other court documents. CM/ECF and PACER will remain available, and the Bankruptcy Noticing Center (BNC) will continue to transmit bankruptcy court notices without interruption.

Parties remain obligated to comply with the filing requirements of the Federal Rules of Bankruptcy Procedure and this Court’s Local Rules. The Court will provide additional information as necessary.

Status of 11 U.S.C. § 330(e) Payments for Fiscal Year 2023

As reported on the [U.S. Trustee Program’s website](#) (updated 11/16/2023), chapter 7 trustees will not receive payments under 11 U.S.C. § 330(e) to supplement other compensation for eligible cases in the 2023 fiscal year. Based on collections for FY 2023, there are no surplus funds available for distribution to trustees. The Program, which supports enhanced compensation for trustees through BAIA (*Bankruptcy Administration Improvement Act*) and has worked to ensure the law’s successful implementation, anticipates that payments will resume as filings increase. Bankruptcy Rules, Forms, and Fee Changes

Effective **December 1, 2023**

The following bankruptcy rules, forms, and fee changes are effective **December 1, 2023**:

Amendments to the Federal Rules of Bankruptcy Procedure

- 3011, 8003, 9006, and new Rule 9038.

These rules changes, as well as the changes to Appellate Rules 2, 4, 26, and 45, and Civil Rules 6, 15, 72, and new rule 87, can be viewed on the [Pending Rules and Forms Amendments](#) page of the United States Courts website. The [Congressional Package](#) dated April 2023 contains blackline versions of the Rules and Committee Notes for a quick reference of the changes.

Changes to the Official Forms

- [Official Form 410A, Proof of Claim Attachment](#)
- [Official Form 417A, Notice of Appeal and Statement of Election](#)

Changes to the official forms may be viewed at <https://www.uscourts.gov/rules-policies/pending-rules-and-forms-amendments/pending-and-recent-changes-bankruptcy-forms>.

Changes to Other Bankruptcy Forms

- Form 1340, Application for Payment of Unclaimed Funds - an updated Form 1340 will be made available on the Court's website (www.gasb.uscourts.gov) on December 1, 2023.

Miscellaneous Fee Changes

Several bankruptcy miscellaneous fee changes are scheduled to take effect on December 1, 2023. [CLICK HERE](#) to view a summary of the changes. A revised bankruptcy fee schedule will be posted to the Court's website (www.gasb.uscourts.gov) on December 1, 2023.

An amendment to a federal rule generally takes about three years. As described in more detail at Overview for the Bench, Bar, and Public, a proposed rule change is usually considered by an advisory committee and published for comment as part of a document called a Preliminary Draft during the first year of the process, considered by the Committee on Rules of Practice and Procedure (the “Standing Committee”) and the Judicial Conference in the second year, and by the Supreme Court and Congress in the third year.¹

¹As published on the U.S. Courts website at www.uscourts.gov/rules-policies/pending-rules-and-forms-amendments.

Pending National Guard and Reservists Debt Relief Act Extension

On November 2, 2023, the House Committee on the Judiciary marked up H.R. 3315, the “National Guard and Reservists Debt Relief Extension Act of 2023,” and ordered it favorably reported without amendment by a vote of 24 to 0. This is a bipartisan measure that would extend the temporary exemption provided by the National Guard and Reservists Debt Relief Act, Pub. L. No. 110-438 (2008) for four additional years. On November 15, 2023, S. 3328, the Senate counterpart to H.R. 3315, was introduced. The Judicial Conference has not taken a position on this legislation.

Under this Act, certain qualifying National Guard members and reserve component members of the United States Armed Forces would be temporarily exempt from the Bankruptcy Code’s means test’s presumption of abuse. It applies to National Guard members and reserve component members of the United States Armed Forces who, after September 11, 2001, are called to active duty or to perform a homeland defense activity for not less than 90 days. The temporary provision is currently set to expire on December 20, 2023.

Unclaimed Funds Locator Available on Court Website

Effective December 1, 2023, amended Bankruptcy Rule 3011 requires clerks to provide searchable access on the court’s website to information about unclaimed funds deposited pursuant to 11 U.S.C. § 347(a). Specifically, the rule amendment adds a subsection (b) to Rule 3011, stating: “On the court’s website, the clerk must provide searchable access to information about funds deposited under § 347(a). The court may, for cause, limit access to information about funds in a specific case.”

In the U.S. Bankruptcy Court for the Southern District of Georgia, the Clerk has already made available a link to the [U.S. Courts Unclaimed Funds Locator](https://www.gasb.uscourts.gov/unclaimed-funds-information) on the Court’s website at www.gasb.uscourts.gov/unclaimed-funds-information. The rule requirement to provide searchable access on the bankruptcy court’s website to unclaimed funds is prospective only and applies to funds deposited under § 347(a) on or after December 1, 2023. Accordingly, a clerk is not required to retroactively publish notice of all funds that remain unclaimed; however, a clerk *may* provide access to information about unclaimed funds deposited prior to December 1, 2023. Further, for deposits under § 347(a) made on or after December 1, 2023, the court may enter an order limiting access to information about funds in a specific case for cause. *See* Fed. R. Bankr. P. 3011(b) (*as amended*).

For more information concerning unclaimed funds and how to apply for payment of unclaimed funds, please visit the Court’s website at www.gasb.uscourts.gov/unclaimed-funds-information. Questions regarding the procedures for unclaimed funds retrieval may be directed to the Court’s Administrative Analyst at (912) 650-4100.

National Bankruptcy Filings Rise 13 Percent

(Published on the U.S. Court's website October 26, 2023)

Total bankruptcy filings rose 13 percent, and business bankruptcies rose nearly 30 percent, in the twelve-month period ending September 30, 2023. This continues a moderate rebound after more than a decade of sharply dropping totals. According to statistics released by the Administrative Office of the U.S. Courts, annual bankruptcy filings totaled 433,658 in the year ending September 2023, compared with 383,810 cases in the previous year.

Business filings rose 29.9 percent, from 13,125 to 17,051, in the year ending September 30, 2023. Non-business bankruptcy filings rose 12.4 percent to 416,607, compared with 370,685 in September 2022.

Bankruptcy totals for the previous 12 months are reported four times annually.

This is the third straight quarter that total bankruptcy filings have risen, following a decade-plus decline. Bankruptcies fell especially sharply after the pandemic began in early 2020, despite some COVID-related disruptions to the economy.

Even with the recent increases, total filings remain far lower than in September 2010, when filings peaked at just less than 1.6 million.

Changes to the Mandatory Electronic Bankruptcy Noticing Threshold

Effective December 1, 2023, the Director of the Administrative Office of the United States Courts (“AO”) lowered the threshold requirement for certain high-volume paper-notice recipients to receive electronic bankruptcy notices. The Director is authorized under Federal Rule of Bankruptcy Procedure 9036(b)(2)(B) to designate paper-notice recipients who must receive electronic notices.

Due to the seamless transition to mandatory electronic noticing this past year, the AO Director approved lowering the threshold from 50 to 25 notices per month to encourage additional medium to large entities to receive the less expensive electronic notice. Any entity that has been sent **25** or more paper bankruptcy notices by the Bankruptcy Noticing Center (BNC) in a single calendar month will be designated as a high-volume paper-notice recipient pursuant to Federal Rule of Bankruptcy Procedure 9036(b)(2)(B) (*as amended effective December 1, 2021*) (the “Rule”).

The threshold number of paper notices that will cause a notice recipient to be designated as a high-volume paper-notice recipient pursuant to the Rule will be reviewed annually and may be adjusted once a year, effective on December 1st of each year.

Public Record of Professional Fees Awarded

In compliance with Federal Rule of Bankruptcy Procedure 2013(a), the Clerk of Court maintains a public record listing fees awarded by the Court to trustees and attorneys, accountants, appraisers, auctioneers, other professionals employed by trustees, and examiners. The record includes the name and docket number of the case, the name of the individual or firm receiving the fee, and the amount of the fee awarded. The record is available to the public without charge. Note that under Federal Rule of Bankruptcy Procedure 2013, these reporting requirements do not apply to Chapter 12 or Chapter 13 trustees. Also, attorneys in the case who are not employed by the trustee will not be listed in the report. Further, compensation to professionals employed by a Chapter 11 debtor-in-possession are not reported; however, compensation paid to professionals employed by Chapter 11 trustees is reported.

Please note that the data from these reports comes from the CM/ECF system and is limited by the methods used to docket pleadings and papers. In addition, professionals are listed by the name(s) used in the CM/ECF docketing process. This may result in separate entries for lawyers with the same law firm, for auctioneers under a personal as well as trade name, and similar anomalies.

CM/ECF users with filing accounts or PACER users can generate a current record of fees awarded in [CM/ECF](#) under **Reports > Professional Fees Awarded**. Alternatively, the record of fees awarded may be viewed on public computer terminals located in the Clerk's Office.

Recent Legislation and Other Developments

On September 13, 2023, the 11th Circuit issued an opinion in *City of Jacksonville v. Jacksonville Hospitality Holdings, L.P., et al*, analyzing the stipulated dismissal procedure in Federal Rule of Civil Procedure 41(a)(1)(A)(ii). In its opinion, the Court ruled that the term “all parties” means all parties to the current action who have appeared at some point in the litigation, past or present.

On September 18, 2023, the 11th Circuit issued an opinion in *Estate of Arlene Townsend, et al v. Steven Berman, et al*. In its opinion, the Court ruled that a lawyer is not disqualified from representing a bankruptcy trustee solely because the firm acted as outside general counsel to a company that had been voluntarily dismissed as a defendant.

On November 2, 2023, the 11th Circuit issued an opinion in *PRN Real Estate & Investments, Ltd. v. William W. Cole, Jr.* In its opinion, the Court affirmed rulings that debtor’s conduct did not amount to concealment of estate property or constitute false oaths necessary to bar discharge under section 727. The 11th Circuit adopted “to knowingly withhold information about property or to knowingly prevent its discovery” as the definition for concealment for purposes of section 727(a). The Court affirmed that the creditor lacked standing to pursue fraudulent transfer claims settled by the trustee. However, the creditor alleged a viable 523(a)(2)(A) claim, which was not preempted by the trustee’s avoidance action.

Recent Opinions Published in the Southern District of Georgia

- **23-10189-SDB *Gwendolyn Diane Williams***; Opinion and Order Reconverting Case to Chapter 7 entered by Judge Susan D. Barrett on August 23, 2023. The Court, after a hearing and testimony, citing *Marrama v. Citizens Bank of Mass.*, 549 U.S. 365 (2007), sustained the trustee’s objection to the conversion, finding the Debtor engaged in bad faith conduct.
- **21-01008-SDB *Hoffman v. WBL SPO I, LLC et al***; Opinion and Order Granting Motion to Dismiss Plaintiff’s Seventh Amended Complaint entered by Judge Susan D. Barrett on August 28, 2023. The Court found that the complaint failed to state a claim for procedural unconscionability.
- **22-30002-SDB *Matthew H Callier***; Opinion and Order entered by Judge Susan D. Barrett on September 29, 2023. The Court found, under the totality-of-circumstances, there were no bad faith grounds to dismiss Debtor’s bankruptcy under § 707(a). The Court also found, given the facts in this case, the creditor had failed to carry its burden of proof under Bankruptcy Rule 4003(c) to show a pistol and rifle were not exempt as household goods under O.C.G.A. § 44-13-100(a)(4). Finally, the Court found Debtor could only partially avoid the creditor’s judicial lien pursuant to § 522(f)(1)(A), as Debtor did not carry his burden in proving the existence of “other liens” on a vehicle, as required by § 522(f)(2)(A)(ii).

Employee Spotlight

As of August 2023, T. Alec Chappell has clerked for Chief Judge Edward J. Coleman, III, for seven years. Born and raised in Columbus, Georgia, Alec moved to Macon in 2008 to attend Mercer University, where he majored in political science and minored in economics. In 2011, he received Mercer's Outstanding Junior in Political Science Award. In 2012, he received his B.A. from Mercer, graduating *summa cum laude*. He then spent a year working as an administrative assistant in the Macon workers' compensation firm Murphy & Sibley P.C. (now Levy, Sibley, Foreman & Speir, LLC) under the guidance of Mercer Law alumni R. Napier Murphy, Phillip A. Sibley, and Adam J. Hand.

In 2013, Alec enrolled in Mercer's Walter F. George School of Law. There, he served on the Mercer Law Review, participated in the Hugh Lawson Moot Court Competition, and served as notetaker for students with special needs in two classes: Evidence in Fall 2014 and Payment Systems in Spring 2016. He received 13 Center for Computer-Assisted Legal Instruction ("CALI") Excellence for the Future Awards for the highest grade in a class: Contracts I, Torts, Introduction to Legal Research, American Constitutional System, Evidence, Secured Transactions, Torts II, Workers' Compensation, Family Law, Bankruptcy, Income Tax, Payment Systems, and Consumer Bankruptcy Practice (taught by Judge Paul W. Bonapfel of the U.S. Bankruptcy Court for the Northern District of Georgia). He also received the D. Meade Feild Workers' Compensation Award and was admitted to the Brainerd Currie Honor Society. In 2016, Alec received his J.D. *summa cum laude* and received the George Waldo Woodruff Award of Excellence for having the highest grade point average in his class.

After his 1L year, Alec interned with Judge Edgar W. Ennis, Jr., of the Bibb County Superior Court, Macon Judicial Circuit. After his 2L year, he interned with Judge C. Ashley Royal of the United States District Court for the Middle District of Georgia. Judge Royal then hired Alec to serve a one-year term as his law clerk, from August 2016 to August 2017. Judge Royal knew of Alec's interest in bankruptcy law and encouraged him to apply for a bankruptcy law clerk position, which resulted in his current clerkship with Judge Coleman. Alec began as Judge Coleman's term clerk on August 7, 2017, and was promoted to career clerk on April 12, 2018.

Outside of clerking, Alec serves in several legal and community organizations. He is currently President of the Young Lawyers Division of the Savannah Bar Association for the year 2023-24 and has edited the SBA's newsletter, *The Citation*, since 2020. He also serves on the 2023-24 Board of Directors of the State Bar of Georgia's Young Lawyers Division. As a member of the W. Homer Drake, Jr. Georgia Bankruptcy American Inn of Court, he mentors law students who are interested in bankruptcy. Since 2022, he has served as a comment adviser for the *Emory Bankruptcy Developments Journal's* Notes and Comments Advisory Committee. Every spring, he judges high schoolers in the Georgia High School Mock Trial Competition. Currently he also serves as a Director of the Savannah Jaycees. He has published several articles in the *Mercer Law Review* and the State Bar's *YLD Review*.

In spring 2024, Alec will be traveling frequently, as he was admitted to the State YLD's Leadership Academy program, which will hold a total of six sessions in Atlanta, Macon, Young Harris, Augusta, and Fernandina Beach. He has also been asked to teach Mercer Law's Advanced Writing Group in the spring semester and therefore will be making weekly trips to Macon. In his free time (such as it is), you can find Alec reading non-fiction, traveling the U.S., watching classic films, working out in the gym, and kayaking.
