

Bankruptcy Unclaimed Funds Locator Version 2.02

In May, version 2.02 of the Bankruptcy Unclaimed Funds Locator was made available to the Judiciary. This release was coordinated by the Virginia Eastern Bankruptcy (VAEB) court's Judiciary Financial System Development and Deployment (JFinSys) Team, in collaboration with the AO's Administrative Systems Office (ASO) and the Judicial Conference Committee on the Administration of Bankruptcy System's Unclaimed Funds Task Force.

2.02 release contains the following new functionality:

Universal Search Functionality:

- * A specific court;
- * Multiple courts; and
- * Across all participating bankruptcy courts within the entire Judiciary

The screenshot shows the 'U.S. Courts Unclaimed Funds Locator' web interface. It features a search form with fields for 'Court' (a dropdown menu), 'Debtor Name' (with a 'Search By Debtor Name' button), 'Debtor Name' (with a 'Search By Debtor Name' button), 'Case Number' (with a 'Search By Case Number' button), 'Amounts Not Less Than' (with a '\$' symbol and a '0' input), and 'Entered On or After' (with a calendar icon and a date input). There are 'Clear' and 'Search' buttons at the bottom. A disclaimer at the bottom states: 'Disclaimer: The court unit into accessible through the U. S. Bankruptcy Unclaimed Funds Locator are provided for the user's convenience. Each court unit is solely responsible for maintaining that unit's applicable unclaimed funds search criteria information. A user is advised to contact a local court unit regarding the unit's specific unclaimed funds report and disposition procedures. Questions should be directed to the local court unit.'

Improved Search Functionality: allowing users to initiate a search based on the entry of a name into the creditor name and/or debtor name fields.

Code modifications: to only allow numeric values in the Amount Field.

The Unclaimed Funds Locator consists of a public search web interface that allows public users to obtain information about unclaimed funds held by the bankruptcy courts. It is intended to facilitate drawing down the balance in U.S. Treasury forfeiture funds, which are mostly of unclaimed bankruptcy funds.
